Dublin, Ireland • james.murphy@example.com • 087 123 4567

PROFILE

Computer Science student looking for a software engineering internship. I have experience programming and enjoy learning new technologies.

EDUCATION

Dublin Technical College

BSc Computer Science | 2024 - 2028

SKILLS

Python • Java • SQL • Git • AWS • HTML/CSS

PROJECTS

Student Management System

- Made a student management application using Python and SQL.
- The program allows users to add, edit and delete student records.
- Used Git for version control.

Weather Application

- Created a Python application that gets weather information from an API.
- Worked with JSON data and displayed weather information to the user.

EXPERIENCE

Retail Assistant | TechMart

June 2025 - August 2025

- Worked with customers and other members of staff.
- Helped customers with questions.
- Worked as part of a team.
